PROFILE

I'm a 34-year-old Full-Stack Web Developer from Finland with two years of experience creating modern, user-friendly websites and applications. My expertise spans front-end and back-end development, cloud technologies, SEO and website performance optimization. Outside of work, I enjoy physical activities such as tennis and weightlifting, as well as boating.

WORK EXPERIENCE

Diligent Data Services 2023-2025
Data Management Assistant

- Utilized Google Sheets to organize and analyze background check data, including criminal record indicators, ensuring efficient and compliant review workflows.

Full Stack Developer & Project Manager 2023 - 2025
(Independent Contractor)

- Developed and maintained web applications using Python and JavaScript / CSS.
- Collaborated with clients to understand project requirements and deliver solutions.

Digital Currency Operations Manager 2016-2022

- Managed hardware operations for digital currency transactions, monitoring system performance and ensuring compliance and security.

EDUCATION

Harvard University 2025
CS50: Introduction to Computer Science

University of Helsinki 2025
Programming MOOC 2025, Advanced Course in Programming
